IN ORDER THAT THE AMERICAN TRADITION OF PUBLIC EDUCATION FOR ALL BE KEPT ALIVE, WE MUST PUT OUR SHOULDERS TO THE WHEEL TO SO ESTABLISH OUR PUBLIC SCHOOLS THAT THEY CAN BE THE TRAINING GROUNDS FOR AN ENLIGHTENED AND TRULY DEMOCRATIC CITIZENSHIP.

FOR THE PUBLIC SCHOOL IS THE ONLY GREAT AND COMMON INSTITUTION THAT FOSTERS THE IDEA THAT NO GROUP IS UNIQUE, AND THAT ALL ARE HEIRS OF THE AMERICAN TRADITION. THE STUDENT, BY WHOLESOME PARTICIPATION IN THE AFFAIRS OF HIS SCHOOL, HELPS FOSTER THE GREAT IDEAL OF THE FATHERS -- THAT KNOWLEDGE AND ENLIGHTENMENT IS FOR ALL.

The Future Homemakers of America is the national organization for pupils who have studied, or are studying homemaking in junior or senior high schools. As an integral part of the program of home economics in high schools it offers further opportunity for pupils to plan and carry out activities related to home making. It is an additional link between home making in the school and in the home. Our purposes emphasize the importance of a wholesome, happy home life.

The Buhler F.F.A. Chapter is one of two chapters in Kansas to win two Gold Emblem Ratings in the National Better Chapter Contest. This is the highest honor given local chapters. Buhler has entered this contest two times, in 1944 and 1946, winning Gold Emblems both times. In 1944, six chapters in the United States rated The Gold Emblem and in 1946 sixteen.

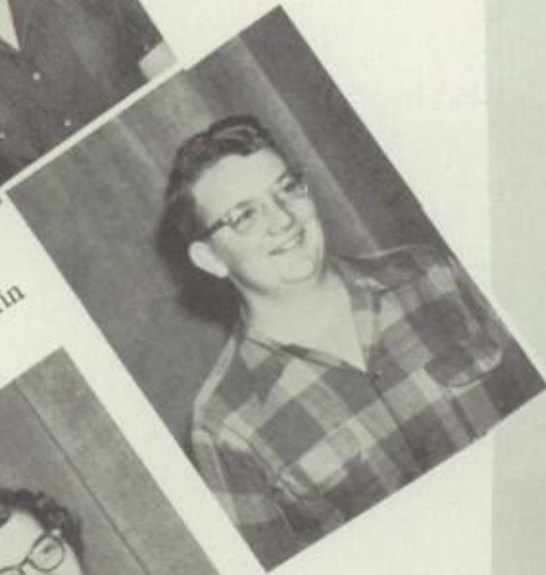

For the first time two members won the award, "A Future Farmer Lives Here". This award is won the basis of Farmstead Beautification. The winner can keep this award only as long as he continues to keep his farm as good or better than when he received the award.

DUTIES OF THE JOURNALISM CLASS

The Journalism Class under the direction of Miss Pankratz meets every other week to put out the school paper, The Crusader. The paper consists of editorials, news features, sports section, and advertisements. After all the material has been written by the students, the instructor corrects all errors. The material is then typewritten and lines counted to determine how many inches the article will take. A dummy copy is then drawn up, and the articles are placed. Before the copy is taken to the printer on Friday, the instructor makes a final inspection making certain that there are no errors. On Tuesday the printer brings the Crusaders which are distributed to the students and to the advertisers and sent to the subscribers.
